This month, our Sunday teaching focusses on growing as followers of Jesus in how we handle money. Today's topic: 'Money as a blessing'.

MONEY ADVICE AND SUPPORT

As we reflect throughout this month on what the Bible teaches about money, we are very conscious of the wide range of financial circumstances in our church family.

If you need general advice and wisdom on a Christian approach to handling money, please see the bookstall for a range of great resources. If you have money worries and concerns, we are offering specific prayer ministry at all celebrations this month and we can also arrange further prayer through our Sozo ministry. And if you are struggling with debt, please see the church website for details of our 'Money Matters' ministry through which we are able to provide highly-skilled and professional advice.

If you need to find out more about giving to God's work through Trinity, please see the 'Resourcing the Vision' leaflet and we also have someone available at the bookstall after all celebrations to give advice.
