## 'ALL IN WITH GOD, WITH EACH OTHER AND FOR THE WORLD!'

As we serve Trinity's mission to make committed followers of Jesus we believe God has given us three specific areas to focus on over the next 2 years. We believe God wants us to position ourselves to listen and learn through prayer, the Bible and the ministry of the Holy Spirit. We believe God wants to teach us more about partnering together. We believe God is calling us to plant new initiatives and ways of being church to change the world!

## SPRING GIFT DAY UPDATE

Last Sunday's Gift Day was an opportunity to praise God for all the time, talents and finance shared in our church family, as well as invite new regular and one-off gifts to ministry and mission here. A massive thank you for the many pledge cards and new gifts already received as a result. We are still processing the forms for regular giving but can see that we are already well on course to exceed the initial target of £35,000 for one-off gifts. This is so encouraging as we address our urgent short-term needs and make plans for the future with regard to the major investments such as the roof project.

Pledge cards and gifts can again be returned today via the offering baskets (envelopes are available). As well as letting us know about changes and new giving, we are very grateful for people also using the cards to confirm continuing commitments. The PCC meet again tomorrow evening to review finances and actions on managing expenditure, so it would be really helpful know about further pledges and gifts.
