

Tuesday 28th April 2020

Good morning!

The prayer suggestions today relate specifically to the Coronavirus situation again, both here in the UK and further afield:

1) Use **this prayer** from "24-7 Prayer"

If you are with others, why not take turns to read each section?

2) Pray for the **Prime Minister**

As Boris Johnson takes up his full responsibilities again, after his recovery from COVID-19, let's continue to pray for him by name.

Include asking that God would reveal himself to the PM; that he would come to know himself loved by his Heavenly Father, saved by the death and resurrection of Jesus and filled with his Holy Spirit.

3) Take a moment to **review some of the prayers** you've prayed over the past couple of weeks.....for particular individuals, groups, churches, situations, nations etc.....however big or small.

We trust that God is at work, even when we don't see obvious evidence but....

....are there any signs of answers? Encouragements you could pass on?

Anything you could send for wider sharing and blessing via goodnews@trinitycheltenham.com? Thanks!
