

## **Saturday 27th June 2020**

Good morning!

Using the **Lord's Prayer** today, as our launchpad for faith-filled, heart-felt praise and petition!

### **Our Father in heaven, hallowed be your name**

Let's spend some time to thank and praise our good, good Father - for who he is and how he has expressed his love for us in these days.

What about worshipping him with the help of one of these songs linked below:

[Goodness of God](#)

### **Your kingdom come, your will be done on earth as in heaven.**

Let's pray these ancient, powerful words over various areas of life, where we want to see what the Lord wants to see (his will, and his King's Domain) come to pass.

- those who suffer from racial inequality
- those who suffer from modern day slavery
- those who suffer from sickness and disease
- those who suffer from loneliness, hopelessness, depression
- those who suffer from bereavement and loss

### **Give us today our daily bread.**

As we give thanks for all God's daily generosity, we ask his grace and provision for people in dire need, especially:

- those whose livelihoods are destroyed by the locust plagues in Kenya
- the homeless in our town
- our persecuted brothers and sisters in North Korea, Somalia, India and many other countries

### **Forgive us our sins as we forgive those who sin against us.**

Thank God for the cross and all that was won there on our behalf. Ask the Holy Spirit to show you what is damaging his image in you, or blocking a fuller freedom in him.

Ask if there is anyone against whom you hold resentment or judgement - release it to the Father.

### **Lead us not into temptation but deliver us from evil.**

Think about your day ahead and what it contains. Talk to Jesus about some specifics. Ask for grace to be filled with his Spirit and to keep in step with him.

### **For the kingdom, the power, and the glory are yours now and for ever.**

Thank him again!

**Amen.**
