

GOD IS GOOD TO ME lyrics

Trinity Cheltenham

VERSE 1

When I'm happy
When I'm sad
When I just feel a little in-between
In every moment I can see that
God is good to me

VERSE 2

When I'm brave
When I'm afraid
When I'm just not sure how to be
In every moment I can see that
God is good to me

PRE-CHORUS

And I can trust you every day cos
You are good to me
I know this will never change
God is good to me

CHORUS

We say it's true, oh yeah! It's true, oh yeah!
God is good to me
We say amen, amen! Amen, amen!
God is good to me

VERSE 3

When I'm jumping
When I'm still
When I just want to have a big shout
In every moment I can see that
God is good to me

VERSE 4

When I'm awake
When I'm asleep
When I just have a little daydream
In every moment I can see that
God is good to me
